

The UMD land cover question ...

[clearsky](#) 1 posts since

Jul 7, 2009

Dear LIS users,

I am going to use the UMD land cover data "UMD_601km.1gd4r.gz", which downloaded from the website <http://lis.gsfc.nasa.gov/LISD1/UMD-1KM/> . But I want to know which year the MODIS data were used to retrieve the land cover?

thanks,

su
